Minutes of today's Meeting:

- We have introduced two skill based courses named B.Voc (Software Development) and B.Voc(Fashion Technology) in this session.
- Efforts will be made to motivate teachers to undertake research projects which will result in personal growth as well as the development of society. For that matter, study leaves will be sanctioned to the Teachers for carrying outreach in their respective field.
- Information and Communication Technology has played a vital role in providing education to the students while sitting at their home. Especially in this hard time of covid-19, we will plan to implement ICT in our classrooms to facilitate quality teaching learning.
- We will plan to organise a number of seminar on a variety of themes viz. social, cultural as well as educational through online mode. This would ensure learning without visiting distant places in this period of lockdown.
- It was decided to upgrade the ICT facilities along with online teaching tools.
- It was decided to impart practical knowledge among students with practical lectures through online education so that students can learn the things in better way.
- It was planned to organise society awareness program with street play, conduct poster making competition, etc. to aware society regarding present situation and rumors regarding covid and vaccination etc.
- We will apply for a new skill based course B.Voc(Beauty and Wellness).
- Meeting ended with the thanks to the chair.
