6. Coverage of Students

6.1 Although many SC students have availed benefits under this scheme and have occupied high positions in the society, still the Gross Enrolment Ratio of SCs in higher education (23.0%) lags behind the national average (27.0%). It is the endeavour of the Government to raise the GER of SCs in higher education from 23.0 % to the national average in the next five years. Similarly, the GER in Higher Secondary education of SCs has to increase from the current 56% to the national average in the next five years. Towards this end, special focus of the implementing agencies is required to achieve the goal.

6.2 The State Governments shall ensure that the poorest students belonging to the SC households shall get top priority for coverage under the scheme. This would include (i) students from SC households with three or more deprivations as per SECC-2011, (ii) the students from the households where one or both the parents are illiterate and (iii) the students who have passed 10th standard from a State Government/ Municipality/Local Body schools. In this regard, States/UTs will launch special campaign to identify and cover such students.

6.3 States/UTs may adopt methodology suitable to the local conditions for identification of such students e.g. SC majority districts/blocks/villages may be taken first for identification of poorest students or students leaving class 10th or 12th class may be tracked in association with the education department or data emanating from other Central/State schemes indicating the dropouts rates or other sources as deemed fit. Such students may be encouraged to enrol and avail scholarships, in a campaign mode. Such students will be helped for identification of courses also as per their skills.

6.4 Awareness drive shall be undertaken by the State Governments/UTs about the scheme through the Gram Panchayats Notice Boards, school committees, and discussions in the parent-teacher association meetings and other public awareness drives, in order to extend its coverage and also minimize any misuse by unscrupulous elements.

6.5 The States are required to take up identification of the students for fresh enrolment by taking up systematic drive covering all the higher secondary schools and encouraging the pupils who dropped out after Class 12th to come back to higher education.

6.6 It is essential that the fresh enrolments to the extent possible are made in the courses which are having employment potential. For this purpose, the State may do an exercise in consultation with the Higher Education Department of the State Government, and the State Skill Mission for identifying courses which would improve the employment potential of the students. It is strongly advised that fresh enrolment may be made in these courses.

6.7. State Government will ensure that the beneficiary, at the time of admission, applies for the scholarship also. In this regard, the State Government may open facilitation centers or nominate a nodal officer in the educational institutions so that the entry in to the student database for renewals and fresh admissions can be done in a stipulated timeframe.

7. Means Test

7.1 Scholarships will be paid to the students whose parents/guardians' income from all sources does not exceed Rs. 2,50,000/- (Rupees Two lakh Fifty thousand only). Income certificate is required to be taken once only i.e. at the time of admission only to courses which are continuing for more than one year. The income certificate shall be issued by the Authority as decided by the State Government.

8. Components of the Scholarship

8.1 The component of scholarship includes the following for complete duration of the course:-

- i. Compulsory non-refundable fees including tuition fee, as fixed by the Fee Fixation/Rationalization Committee of the State Government, payable half-yearly
- ii. Academic allowance payable half-yearly

#The Divyang students, 10% extra.

8.2. All seats filled through arbitrary and non-transparent processes (including management quota, NRI quota, spot admissions etc) without following the merit criteria as decided by the State Government are not eligible for these scholarships.

9. Selection of Candidates

9.1 All the eligible Scheduled Caste candidates will be given scholarships subject to the application of Means Test prescribed in this Scheme.

9.2. The students from the poorest households (See Para 6) will be proactively followed for admission in the suitable courses.

9.2. Candidates belonging to one State but studying in other State will be awarded scholarships by the State to which they belong. Students domiciled in a State/UT but holding SC Certificate in other State/UT can avail scholarship from the State/UT of domicile.

10. Funding Pattern of the Scheme

10.1 There will be a 60: 40 sharing ratio between the Centre and States (90:10 in case of North Eastern States) of the average demand for the scheme for three year period 2017-18 to 2019-20, with a 5% annual increase each year. The above shall be applicable from 2020-21 onwards and the scheme will be continued upto the financial year 2025-26.

10.2 Thus, for the purpose of determining the demand for the year 2020-21, the average demand of 2017-18 to 2019-20, or the actual demand, whichever is lesser, will be considered for each State/UT. For subsequent years i.e. 2021-22 & onwards, the demand of all States put together will be limited by a 5% annual increase over the average demand for the scheme for the three year period 2017-18 to 2019-20. The PAC will ensure that the overall increase will not exceed 105% of previous year demand. The Ministry will have the flexibility of adjusting the allocation of funds between the States subject to the total allocation approved, without disrupting the 60:40 sharing ratio between the Centre and the States.

10.3. All the State Governments and Union Territory Administrations implementing the scheme will maintain the data of all the beneficiaries on their online portal and will distinctly mention the amount of scholarship under various components as mentioned in the Scheme.

11. Payment Mechanism

11.1 The entire scholarship amount, including the tuition fees and academic allowance will be paid into the account of the students ONLY through DBT. Starting from 2021-22, the Central share in the scheme would be released on DBT mode directly into the bank accounts of the students, after ensuring that the concerned State Government has released their share.

11.2 The scholarship amount shall be disbursed in two half-yearly installments - by 15th August and 26th January each year. There shall be no delays in payment of the scholarships.

Principle to be done Cds

Principal
Sh. Lal Bahadur Shastri Arya
Mahila College, BARNALA

For this purpose the State shall ensure that the two installments are disbursed to the students by 15th July and 31st December respectively so that the Central share can also be released in time.

11.3 The State Government/ UT Government will release 40% (in two installments of 20% each) of the scholarship (10% in the case of North Eastern States) on the online portal created for this purpose. Based on this, the central share of 60% (in two installments of 30% each) (90% in the case of North Eastern States) will be released.

11.4 Payment of scholarship/ maintenance and any other admissible allowance should be made to beneficiaries directly into their accounts, preferably through Aadhaar enabled payment system from 2021-22.

11.5 The Ministry of Social Justice vide notification number 428 dated Feb,16,2017 has notified Aadhaar as identity document under Section 7 of Aadhaar Act 2016 for all Scholarship Schemes w.e.f. 16th February 2017.

11.6 The authentication through Aadhaar would be compulsory at the time of renewals, if not provided earlier at the time of admission.

12. Duration and Renewal of Awards

12.1 The award once made will be payable up to the completion of course subject to good conduct and attendance of 75% in every academic year. The attendance will be verified through Aadhar based attendance System.

12.2 If a scholar is unable to appear in the annual examination owing to illness, the award may be renewed subject to production of medical certificate from prescribed authority and acceptance of the same by institution /college.

12.3 If according to the Regulations of a University/Institution, a student is promoted to the next higher class even though he/she may not have actually passed in lower class and is required to take examination of the junior class again after sometime, he/she will be entitled to scholarship for the class to which he/she is promoted if the student is otherwise eligible for scholarship.

13. IT Framework

13.1. The scheme shall be run on an online platform with robust cyber security measures that would assure transparency, accountability, efficiency, and timely delivery of the assistance without any delays. The National Scholarship Portal (NSP) would be suitably modified for this purpose.

13.2. If any State is already a running online portal that fulfils all the laid down parameters, they can continue with it, but share the data on real-time basis to the National Scholarship Portal or any other portal as specified by the Department of Social Justice & Empowerment in due course through instructions for enabling constant monitoring. Therefore, all States/UTs implementing the scheme will migrate to online processing of disbursement of scholarships, where not already done. The scholarship portal should mandatorily have the following features:

- a) At the time of admission, every student should provide an Aadhaar ID/Aadhaar EID and other alternative form of ID as per this Ministry's notification no. 428 dated 16.02.2017 which will enable elimination of duplication and false claims. The Aadhaar authentication is mandatory in case of renewals, if not provided at the time of admission. The Aadhaar number entered by the students should go through demo-auth on real-time basis before allowing entry into the registration portal.
- b) The States shall undertake fool-proof verification of the eligibility, caste status, Aadhaar identification and bank account details on the online portal. There shall be no upload of any documents or any certificates into the system. All data should be auto-verified by linking databases such as (i) school boards' results, including the CBSE/ICSE along with the certificates maintained by them; (ii) database of income certificates and caste certificates issued by State/District Administration and (iii) databases maintained by the Universities and Colleges, using Aadhaar number as the link.
- c) All verification process of the students should be done using the above authenticated databases automatically using the digital process. There should be no system of verification by the institutions or even the district level officers. (They can come in only if any case of failure of machine-based authentication.)
- d) The Aadhaar based biometric attendance shall be recorded by each institution.
- e) There shall be no system of calling for the bank account details of the students and authenticating it. All payments must go through ABPS after checking the Aadhaar number with NPCI mapper.

- f) The renewals should be automatic based on passing the previous year examination and having the required attendance. There should not be any requirement for the student to apply for renewals.
- g) A performance module to monitor the progress of student as well as performance of the institution should be suitably designed and incorporated.
- h) Apart from this, they shall maintain a complete database of the beneficiaries under various other scholarship schemes to ensure de-duplication of the beneficiaries.

14. Annual Action Plan

14.1 Every participating State/UT, on or before 28th February of the preceding year, will prepare a State level Plan for PMS scheme. Any other initiatives of the State Govt. on similar lines may be mentioned separately in the Action Plan. The Plan should give clearly the targets, eligibility, proposed coverage separately for poorest households, processes for identification, identification of courses having employment potential, systems for monitoring etc.

14.2 The Department will constitute an Appraisal Committee to appraise and approve the Annual Action Plans. These plans would be appraised at the Centre and the outlay for each State would be finalized before 15th April, 2020, as per the annual increase indicated under the funding pattern. The constitution of the committee will be informed through separate instructions.

All requests for application forms and other particulars should be addressed to the Government of State/Union Territory Administration to which the scholars actually belong. The applicant should submit the completed application to the prescribed authority on the portal specified for this purpose before the last date prescribed for receipt of applications.

17. Procedure for Applying

17.1 An application for scholarship will be made online on scholarship portal giving the details only of the Aadhaar number and the details of the course admitted. The verification of the income, caste and merit details should be auto-checked from the databases which are linked online for instant verification. The process should be entirely paperless.

17.2.
